Solaris XL

Full European
Type Approval

The Solaris XL is designed to give 4 full adult sized beds and 4 travel seats in a motorhome with a luxurious feel and fantastic specification as standard. Bunk beds up to 6ft 8 inches and a double bed of 6ft 2 inches give even the tallest person a good nights sleep.

All areas of the Solaris XL are designed with flexibility in mind. The bottom bunk transforms into a seating area as the top bunk folds up to the wall. Also, the travel seats in the front convert quickly in the a sofa style seating area so that 4 people can sit around the TV or around the tables.

The Solaris XL is deceptively spacious giving the feeling of a much larger motorhome. The washroom is a wet room with water proof sliding door and fold down sink to maximise the available space. The toilet is a Dometic swivel bowl model with porcelain bowl for ease of use and a cassette with suitcase style wheels and handle.
