Solaris

Full European
Type Approval

The unique design of the Solaris gives a spacious seating area during the day and a huge double bed at night time. Whilst at the rear there are two adult size bunks next to an ample washroom and large kitchen area.

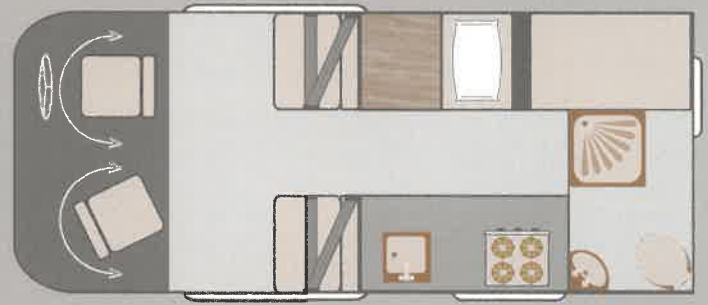

For flexibility the top bunk can be folded away to give a bench seat. The lower bunk has an opening base to provide access to the large storage area underneath. The Solaris is deceptively spacious giving the feeling of a much larger motorhome. The washroom has a space saving fold down sink, mixer shower and watertight sliding door so that you can enjoy a proper shower without the nuisance of a shower curtain sticking to you!

■ **Base Vehicle**

- Citroen Relay Euro 6, 2.0 Hdi 130 BHP, 6 speed manual.
- Pass Air Bag • Cruise Control • Air Conditioning • Sat Nav
- Rear parking sensors • Rear parking camera • Alloy Wheels
- Metallic Paint • Bluetooth • DAB touch screen stereo
- Leather steering wheel/gear knob • LED DRL's

The Citroen Relay is a great quality vehicle giving more than enough power and very low emissions with the Euro 6 engine. Running costs are low with one of the best fuel economy figures on the market with figures reported in excess of 40 mpg by our customers.

Dimensions Length - 5.998m Width - 2.05m
 Height - 2.75m Internal height - 1.90m

Your van will be factory ordered to your specification which gives you the ability to choose the van colour and any options that you may wish to have on the base vehicle. At WildAx Motorhomes we are proud to say that we develop a close relationship with every customer. This is due to the detailed and regular communication we have from the moment of order to the day you take ownership of your new motorhome.

WildAx Motorhomes include everything we think you will need (and many items that others consider optional) in the basic price! We even include all new van fees and road tax – there are no hidden costs at all.
